

League of California Cities 2022 Action Agenda

- 1. Secure funding to increase the supply and affordability of housing and reform state housing laws to retain local authority.** Secure adequate and sustainable funding for cities to increase construction of housing at all income levels, particularly affordable housing and workforce housing. Reform state housing laws to ensure cities retain local decision-making to meet the needs of their communities.
- 2. Attain investments to strengthen and sustain critical infrastructure.** Advocate for policies that strengthen the conditions of local streets, highways, bridges, public transit, and broadband to improve workforce and economic development. Secure support for the modernization and expansion of the statewide water grid, including infrastructure, storage, and conveyance. Work with stakeholders to provide cities with access to the tools needed to ensure projects are delivered efficiently and cost-effectively to meet current and future needs.
- 3. Secure increased funding and resources to prevent homelessness and assist individuals experiencing homelessness.** Secure additional ongoing, flexible resources to provide navigation assistance, emergency shelters, and permanent supportive housing. Enhance city and county coordination and strengthen partnerships with stakeholders to ensure adequate wraparound services are available for adults and youth at risk of, or already experiencing, homelessness in our communities, and effectively address mental health and substance use disorders.
- 4. Strengthen disaster preparedness, resiliency, and recovery from climate change impacts through improved collaboration and resources.** Secure additional resources and support to mitigate the effects of climate change, including catastrophic wildfires, drought, and sea level rise. Promote collaboration with other city, state, and federal governments, to strengthen disaster preparedness, resiliency, and recovery.
