RE: AB 105/SB 105 – Proposition 4 Budget Allocation
Notice of SUPPORT *(As Amended on September 8, 2025)*

Dear President Pro Tempore McGuire, Speaker Rivas, Budget Chairs Wiener and Gabriel, and Subcommittee Chairs Allen and Bennett:

On behalf of the League of California Cities, we are writing to express our **support for AB 105 and SB 105**, which would, in part, implement a \$3.287 billion spending plan this year from the Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024 (Prop. 4). The appropriation includes critical monies that will support community hardening from climate impacts, including wildfire, sea level rise, and extreme heat impacts and investments in much need water infrastructure, renewable energy, and park revitalization projects. We urge the Legislature to take swift action to approve the first of the multi-year spending plan that honors the will of the voters. Please let me know if you have any questions by contacting me at msparkskranz@calcities.org or 916-658-8232.

Sincerely,

A handwritten signature in blue ink that reads "Melissa Sparks-Kranz".
