

Support Local RECOVERY

Vibrant cities. Strong economies.

Since the beginning of the pandemic, cities have lost \$5 billion in revenue, and expect to lose another \$1 billion over the next year. Fiscal gaps still persist for many cities, whose revenue losses and unplanned expenditures far exceed the anticipated relief.

**Together, we must continue to fight to support local recovery.
Californians depend on it.**

Join the coalition!

Yes, I/we want to join the Support Local Recovery coalition with the League of California Cities to urge lawmakers to appropriate at least \$10 billion to help cities recover from the pandemic, bolster investment towards meaningful solutions to homelessness, improve housing affordability, and advance critical infrastructure..
