

The California Municipal Law Handbook

CEB has the tools you need

Covering issues of land use, housing, public property law, environmental regulations, employment issues, government entities, cannabis regulations, litigation, and much more, this handbook gives you the background, tools, and guidance you need in all major areas of California municipal law. Whether your client is a municipality, a business, or an individual, this “source of first resort” was written by over 300 attorneys from the City Attorneys Department of the League of California Cities to help you navigate the complex interplay of municipal law with state and federal law.
