HCD’s Implementation of the Surplus Land Act (SLA)

League of California Cities Conference
Sacramento, CA
April 13, 2023
What is the Purpose of the Surplus Land Act (SLA)?

• Provide more affordable housing options in all parts of the state
• Cities, counties, and special districts have land that can reduce cost barriers to housing development
• SLA requires local agencies to make land available for affordable housing before selling or leasing the land for another purpose
Successes

As of 3/17/23, HCD has received:

- 525 exempt surplus land declarations
- 237 full dispositions
- Overwhelming majority have been approved

Rendering of the Hollywood Arts Collective project under construction in Los Angeles; the project received an affordable housing exemption under the SLA.
Successes

• The SLA is helping to create housing!

• Through the SLA, HCD has approved dispositions as of 3/17/23 proposing:
  – 8,387 housing units (5,800 affordable)

• These new homes help jurisdictions and the state meet their housing goals (Regional Housing Need Allocations)
Standard SLA Process for Surplus Land

1. Declare the land “surplus”
2. Issue notice of availability to required parties (60 days)
3. Negotiate in good faith (90 days) and prioritize affordability
4. Send proposed disposition to HCD for review
5. Address HCD’s findings
6. Dispose of the land
Declaring property as “Exempt Surplus”

“Grandfathering”

The version of the SLA in effect before 12/31/2019 applies if the local agency entered into an exclusive negotiating agreement or other legally binding agreement to dispose of property before a certain date.

1. Exemptions from standard SLA process
   
   Still requires HCD review and other requirements

2. Land for Affordable Housing
   
   Must meet certain criteria in the SLA

3. Land dedicated for other public uses
   
   Land restricted for another use (parks, schools, etc.) transferred to federal/state government, land traded for other land to be used by the local agency, etc.

4. Land not suitable for housing
   
   Small parcels, former streets, parcels with legal restrictions that prohibit housing
Other Cases that Lie Outside the Scope of the SLA

Besides the 14 official exemptions from the standard process, the following transactions do not fall under the SLA:

1. **Short-term leases**
   - Land leases for a term of less than five years

2. **Leases that do not allow demolition or development of the property**

Governing board does **not** need to pass a resolution to declare land as surplus or exempt surplus in these cases
Tips and Best Practices for Local Agencies

- Develop basic in-house familiarity with the SLA
- Survey and catalogue the potential surplus properties
- Have a general sense of whether and how the SLA applies for each property
- Gather documents and reach out to HCD to confirm understanding of SLA applicability and process
Flexibility

• Notice of Availability may include “reasonable conditions or restrictions.”
• If the local agency does not agree to price and terms with an entity, then it may dispose of the property outside of the SLA.
• Exemptions.
• Meeting affordability requirements through multiple buildings.
• HCD is available to walk through the options with local agencies.
