

## HOUSING ALERT AND POTENTIAL SCAM WARNING

**Beware of professional hotel scammers** who may contact you claiming to be the Cal Cities Housing Bureau/Service to help reserve hotel rooms in the vicinity of the SAFE Credit Union Conference Center in Sacramento.

They may say the Cal Cities hotel block is sold out or use some other ploy to book you into another hotel for a room that most likely does not exist.

## EXHIBITOR HOUSING

Exhibitor housing is NOW OPEN

A limited number of hotel rooms are available for conference attendees and exhibitors. All exhibitors must pay the exhibit space fees in-full to confirm hotel accommodations. [Check your account balance.](#) Once the exhibit space has been paid-in-full, the housing link will be emailed to your attention from Cal Cities.
