Join colleagues and friends for an evening with Bay Area Legislators at the California Life Science building in South San Francisco. The event will feature legislative briefings from the region’s delegation in Sacramento. This will be a standing cocktail reception format with a food and libations. Parking is located adjacent to the facility. The event is free of charge but registration is required. The event is co-hosted by the San Mateo Council of Cities, the Cities Association of Santa Clara County and the Peninsula Division of the League of California Cities.
